Position: Audio-Visual (A-V) Ministries Director

Vonore Baptist Church (VBC) in Vonore, TN is seeking available and qualified applicants for the position of A-V Ministries Director. The individual in this position provides technical expertise and team leadership for all sound, media, video and stage lighting related to the Worship Ministry at VBC. Job duties include: leading (under the functional direction of the VBC Worship Pastor) the A-V support for regular (Sunday and Wednesday) and special worship services; importing lyrics, background designs, video elements, and sermon PowerPoints for weekly services; conducting sound checks prior to service for instrumentalists, vocalists, and pastors; recording worship services for future Internet and social media access; recruiting and training volunteers for the areas pertaining to the A/V needs for each worship service; partnering closely in ministry with the Worship Pastor for the needs of each service and future growth; and related duties. This position is part-time salaried with on-site support required for services on Sunday (morning and evening); Wednesday (evening); special events, such as Vacation Bible School and Christmas programs; and additional time required for leadership training, maintenance of equipment, and additional rehearsals as requested by Worship Pastor. Previous experience in the role of A-V Ministries Director (or A-V support) in a Christian church is preferred, but not required. Interested applicants should submit their resumes to Don Williams, VBC Personnel Committee, donwilliams37922@yahoo.com; and Amy Long, VBC Administrative Coordinator / Financial Secretary, along@vonorebaptistchurch.org.
